

Sloan's Christmas Tree Village And U-Cut

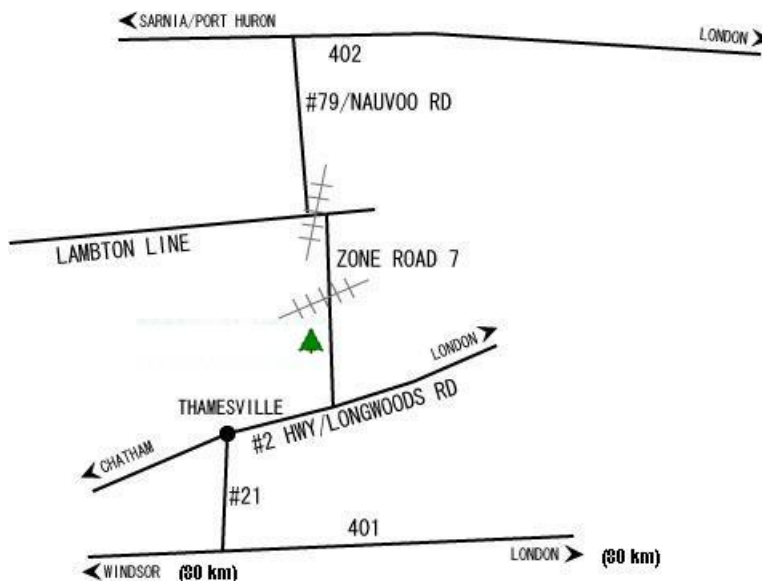

29876 Zone Rd 7 Bothwell ON

Dear Driver,

These students are going to Sloan's Christmas Tree Village and U-Cut. Please unload your bus in front of the barn. There may be other tours coming, so please park your bus out of the loading area when you have finished unloading your class. The parking at our farm is on grass, but you need not worry about getting stuck.

You are welcome to join the school tour with the class at no charge. If you do not wish to stay, there are a few restaurants in Bothwell, namely Route 79 and Irene's, or Parks Blueberries on Longwoods Rd (Hwy 2).

We are located near Bothwell, 1 km north of Longwoods Rd at 29876 Zone Road 7. Zone Road 7 is about 7 km east of Thamesville (1 km east of Park's Blueberries) and 1 km west of Marcus Trucking.
